

Welcome and Overview

What We Do

We work with school administrators and teachers to support the educational experience of students, support faculty and staff, provide learning opportunities for parents, and enhance the school community overall.

Members

All parents of St Patrick Catholic School Students are automatically members of the PTO.

How We Are Organized

The St Patrick PTO consists of a board of five members and committees for the events and functions we serve for the school.

Archdiocese Requirements for Volunteers Who Have Contact with Children

The Archdiocese of Louisville requires any employee or volunteer who has contact with children for any length of time to complete a two-step process:

1. Archdiocesan approved background check (should be done first)
2. Attend an IN PERSON Safe Environment Training (SET) provided through the Archdiocese.

PTO volunteers with any contact with children are required to be sent to the Parish office for verification of compliance with this policy before we are allowed to add you to and official volunteer list.
