**Welcome Home!**

Pictured above: (1) Parish staff dresses up like a roller coaster for Halloween!!! (2) Girls in the middle school were provided an ice cream treat for taking excellent care of the Commons restroom! (3) Many of our bulletin boards around campus are centered around Christ. (4) 8th grade students recently made "Saint spoons" to help them remember the significance of their chosen Confirmation saint.

## School Updates

It was a busy week on the liturgical calendar as Catholics celebrated models of our faith on All Saints' Day and also remembered those who have died on All Souls' Day. It is an important reminder of why St. Patrick was established, which was to evangelize the gospel message of Jesus Christ to build up the Kingdom of God. We are called to know and love God, creator of every good gift, to serve Him and to love our neighbor, and to be happy with Him forever in Heaven in the next. As a Catholic school, we build our programs with these goals in mind in order to grow our students and families in their faith.

In the past week our students have learned more about Saints that they can model their lives after; they have learned about how they can feed their souls and grow in relationship with God through prayer, service, sacraments, and the Beatitudes; they have worshipped together, completed Confirmation interviews, and much more! We are always a work in progress, but the faith is alive and well at St. Patrick!

# Catholic Services Appeal

*Bringing Christ to Others*

## CSA School Participation

The annual Catholic Services Appeal is the largest and most important campaign of the year and St. Patrick kicked off the campaign two weeks ago. Click [HERE](#) to read more from Fr. Jeff, and be sure to check out the message below from Archbishop Shelton Fabre about this year's theme, which is "Do this in memory of me."

Our parish broke some records last year and had the most participation in the whole archdiocese! We want to match that in 2023 and ask our school families to participate. We will also have a friendly competition in the school (those details coming next week). If you are interested in donating today, click [HERE](#)! We ask that you prayerfully discern what you might be able to give to help so many worthwhile causes of the CSA. The school competition is not about the amount of each donation but participating in CSA.
