School Updates

What a fun-filled day celebrating Halloween together!

It is honestly difficult to find the space to share all the learning and engaging happenings taking place on campus from week to week. We hope you enjoy the pictures and descriptions from our newsletters!

Next week we will begin our CSA 2025 Student Participation Contest. The challenge is for each family to consider a gift, no matter the size, to the annual campaign that funds so much good work for our local church, the Archdiocese of Louisville. Have you ever wondered what ministries benefit from CSA? Click [HERE](#) to learn about more than 100 ministries, services, and programs that benefit. It's also National Vocation Awareness Week Nov. 2-8. Our Religion teachers will be teaching our students about all the seminarians in our city and making cards for them as part of this effort national effort.

Wishing you a safe time in your neighborhoods tonight!

Prayer Time

A Prayer for Hope

Heavenly Father, in the sacrament of Baptism, you have given us the gift of new life. Through your son our Lord Jesus Christ and the Holy Spirit, you have made us your own.

Help us to recognize the gift of human life as a sign of hope in our world.

Reveal to us the places where your precious gift of life is most in need of protection and strengthen us to defend life in all stages and circumstances, from the child in the womb to the elderly and dying.

Guided by your Holy Spirit, guard us from discouragement and give us the grace to be messengers of hope, filled with confidence that nothing can separate us from your love.

Through Christ our Lord. Amen.
